

Measure for CustomFit Whinny Wellies®

To help our finishers please take a photo each measurement you take, so that we can see where you put the tape and exactly what the tape showed. These photos go to the finishers so they can see exactly where you measured.

When you have the form completely filled out, take a photo with your camera and email it to us at orders@soxforhorses.com.

FRONT LEG

- Area 1 = _____
- Area 2 = _____
- Area 3 = _____
- Area 4 = _____

REAR LEG

- Area 1 = _____
- Area 2 = _____
- Area 3 = _____
- Area 4 = _____

We need this length from Area 3 to just above the heel bulbs. This will be the length of the "skirt". Be accurate so that the horse does not step on the bottom of the Wellies. = _____

Measure around the leg at Area, 1, 2, 3 and 4. Use a soft sewing measuring tape.

LENGTH = From the Area 1 line down to the Area 3 Line. Measure down the side of the leg to get the length. Front: _____ Rear: _____

To be worn over hoof boots? Yes _____ No _____

To be worn over bandages or leg wraps? Yes _____ No _____

Lined _____ Unlined _____

IMPORTANT NOTE! If your horse is wearing boots to keep the hooves off the ground, send a photo of the style/brand boot the horse is wearing to info@soxforhorses.com
